

Davrian Registrar Report

I have coordinated the New Davrian Register for the past 30+ years and have also held the post of Davrian Registrar for the Imp Club over approximately the same time period.

I am very keen to expand appreciation of the Davrian marque in the Imp Club and now that I am finally approaching full retirement from work, believe that I am now in a position to devote more time to the role than I have perhaps been able to in the recent past. I am also keen to encourage more Davrian owners to join the Imp Club.

I believe that it is important to encourage the younger generation to take up an active role in the club and ensure that the technical skills required to keep our cars alive is not lost.

As Davrian Registrar, I am also keen to ballot Davrian owners and enthusiasts to find out how their opinions on how best both I and the Imp Club can serve their needs.
