

Secretary's Report

As I only took on this role in March this year, I am unable to report on anything in 2023.

But I would like to thank all who have welcomed me and those who have helped me get “up and running”. Whilst I hope the Club remains the friendly place I love and enjoy, I do think we need to be aware that as a Limited Company things can no longer be as they were in the Club's early days. Changes provoked by the pandemic have helped us step into the 21st Century!
