

AGM 2024

Website Editor Report

As you will be aware I stepped down as Website Editor at the 2023 AGM due to personal issues.

As no-one stood for the post I have continued to keep the website ticking over since then. I have not, however, been involved so closely with committee work as in previous years.

Main tasks undertaken:

- Monthly updates & general housekeeping
- Creating Membership pages to embrace Crossmember, the new on-line membership system
- Creating/amending posts and pages with pertinent information as necessary
- Form creation/maintenance
- Maintaining events calendar & area centre info.

The Future:

This AGM Warren Brand has stepped forward to take on the role. In order to ensure a smooth handover I am offering myself for election as joint Website Editor for the forthcoming year. The intention is that Warren is able to progress his ideas at his own pace without needing to take on the current day to day stuff. This should provide for a seamless handover for members and non-members alike.
